

Instructions on HOW TO FIND BWH Journals/E-Reources:

Follow these steps:

1. Go to Pikenotes
http://www.bwhpikenotes.org/employee_resources/Medical_Library/default.aspx
2. Click on *Staff Resources tab* at top
3. Click on *Medical Library* tab on the left
4. Click on *E-Journal tab* on the right
5. Use the *Library eResources* search box and type journal title in it. **Change Partial Words** to **Exact Words** by clicking on down arrow.
6. Proceed to find your journal and notice the holding dates. Check to see if we have the date for the journal article you need. If we don't order it [here](#).
7. If we do have the date you need, click on blue link under *Access Information* to proceed to navigate to your article.
8. Searching in the Discover box will retrieve all electronic resources that pertain to your search terms.
